### PROFESSIONAL EXPERIENCE

---

#### Software Developer

**Feb 2024 - Present**

*BuzzClan Inc. (IT Consulting Industry)*

- Developed user-focused healthcare and job listing portals, enhancing search functionality through geolocation-based filtration and integrating dynamic content via API to improve accessibility and user experience.
- Revamped application interfaces using Material-UI, implementing modern design trends to enhance usability, which led to a more intuitive user experience and improved system responsiveness.
- Built and optimized GTA dashboards, designing key data visualization components that reduced page load times by 20%, improving the platform's performance and accessibility.
- Led weekly agile sprints using Jira, coordinating with cross-functional teams to ensure timely, high-quality project deliveries.

#### Web Developer

**April 2023 - July 2023**

*Vertipride Solutions Pvt. Ltd. (IT Consulting Industry)*

- Developed a comprehensive web application for an IT platform, implementing essential features such as project listing and search functionalities, which enhanced platform usability and user experience.
- Optimized frontend performance by refining code and applying efficient rendering techniques, resulting in a 20% reduction in page load times and improved overall user engagement.
- Designed the website architecture and developed a proof of concept, establishing the foundation for future development and guiding feature implementation.

#### Frontend Developer Intern

**Aug 2022 - Jan 2023**

*TNC Inc. (Industrial Consulting)*

- Contributed to client POCs, quickly gaining valuable insights by working closely with the team lead from day one.
- Collaborated with design teams and Senior Engineers, learning best practices in web design and contributing to the development of tailored software solutions that met client needs.
- Mastered version control systems like Git, enabling seamless collaboration and efficient codebase management across the team

### EDUCATION

---

*Chitkara University*

*Bachelor in Business Administration*

*Rajpura, India*

*July 2018 - May 2021*
